Home Football Game Procedures & Reminders

Dear Tiger Parents and Families,

As we prepare for the kickoff of our football season, we would like to share several important reminders with our Tiger community. Our goal is to provide a safe, enjoyable, and well-organized experience for all students, families, and guests. Please review the following procedures before arriving.

Digital Ticketing

Morse High School uses Hometown Ticketing for all home football game purchases. Admission is charged for JV and varsity doubleheaders because the stadium is not cleared between games. One ticket provides admission to both games and may be purchased using any of the following options:

- Scanning the attached QR code below
- Visiting the [Morse Athletics website](#)
- Purchasing directly through [Hometown Ticketing](#)

Please purchase your tickets in advance and have them ready to display upon arrival. Cash will not be accepted at the gate.

Parking and Stadium Entry

- All Morse spectators must enter through the home-side gate.
- Visitors must enter through the visitor-side gate.
- Spectator parking will be available in the lot closest to the baseball field or student parking under the solar panels near the flagpole.
- Parking is limited, so families are encouraged to arrive early and plan accordingly.

Game-Day Safety Procedures

- Backpacks are not permitted inside the stadium. **NO EXCEPTIONS**
- Students bringing a bag must use a clear bag. Backpacks should be dropped off before arriving at the game. Morse High School will not be responsible for any lost or stolen backpacks.
