

There are five steps that need to be completed in order to play sports:

1. Set up an account on Home Campus: <https://www.homecampus.com/login>
2. You must have a 2.0 GPA. I checked and you are good there so this step is done.
3. Get a Physical. Doctors on Duty will probably be the quickest way to get this done.
4. Watch the Extracurricular Contract Videos: Go to <https://edpuzzle.com/> and enter the following class code: **idegonm**
5. Take the IMPACT Test: Simply go to: IMPACT Testing, enter the code, BDWRR4Z8BC, select Salinas High School as your organization, go to “Launch Baseline Test”, pick a language, click “OK,” click “next,” click “next” (again), enter your Date of Birth, and take the test. All incoming Juniors and Freshmen must take the IMPACT test. If you are new to athletics at Salinas High School, you will also need to take the IMPACT Test.

Complete a Concussion Impact Test –
